Mr. Silva,

On behalf of the men and women of the USS LAKE ERIE (CG 70), I thank you for the wonderful gift of American Classic Tea! The tea has proved to be a big hit - even among my coffee drinkers – and invaluable for the late night watchstanding. Again, we appreciate your generosity and support of our mission. Please pass my thanks along to others at Bigelow Tea.

MANY THANKS!

Sincerely,

W. C. JOHNSON
